HUDSON RIVER CRISIS EVIDENCE WORKSHEET

EXHIBIT A

Pollution Seen in Picture:

Possible Causes of Pollution:

Possible Ways to Clean It:

EXHIBIT B

Is there evidence of pollution that CAN'T be seen?

What can you guess about how a city like New York impacts the Hudson River negatively?

EXHIBIT C

Is the pollution in this picture visible? Why or why not?

EXHIBIT D

What do you see in this picture that may or may not have an impact on the river?

If you lived nearby, how would you feel about the factory?

If you worked at the factory, how would you feel?

EXHIBIT E

There is no pollution in this exhibit. What could be done to ensure that boats are used in ways that are not harmful to the environment?
