Religion and the First Amendment
Exploring Religious America: Viewing Guide

1. How was the proposed Muslim cemetery different from a Christian cemetery?

2. What characteristics of the Muslim cemetery did the neighbors object to?

3. Why do you think the neighbors were not satisfied with the results of the environmental tests?

4. What did the Muslims agree to do that was different from their usual burial procedures?

5. It is pointed out in the video that Christians in Lawrenceville also may have to make adjustments in the direction of greater religious openness and toleration. What do you think this could mean? How might the local Christians have to change what they do? How they think?
