Ramadan Observance Guiding Questions

Directions: At the learning stations that have been set up in the classroom, you will either visit a Web site, watch a video segment or read a transcript. As you complete each activity, jot down notes to help answer the questions below. You will find answers to each of the questions at more than one station, so be sure to take careful notes.

After you have visited each of the stations with your group, write a one - two sentence response for each of the questions.

Notes:

1. Why is Ramadan important to people?	
2. What does Ramadan commemorate? Why is it considered the holiest of times?	
3. How are the dates of Ramadan determined?	
4. Beyond abstaining from eating and drinking during daylight, what are some other practices involved with Ramadan?	
5. Fasting is more than just not eating or drinking. What are other actions considered the breaking of one's fast?	

6. What does the Quran state about Ramadan?	
7. How are family and community brought together during Ramadan?	
8. What is Eid al-Fitr?	

Record your group's one-two sentence summary for each question below.
