

Student Organizer 1
Pack Your Suitcase

Imagine you and your family are going to leave your home and go to a country where the language and the customs are new and different. You can take one medium-sized suitcase and your suitcase will hold ten things. Besides the clothes you wear, these ten things are all you can take.

What will you put in your suitcase?

- | | |
|----------|-----------|
| 1. _____ | 6. _____ |
| 2. _____ | 7. _____ |
| 3. _____ | 8. _____ |
| 4. _____ | 9. _____ |
| 5. _____ | 10. _____ |

When you finish packing, get together with one or two other people and compare your lists. Discuss:

- How did you make your choices? Was it hard or easy?
- What did you leave out that you wished you could pack?
- How would you feel if this situation were real?
