

Tip Sheet:
Guidelines for Guest Speakers

1. Plan to take about 10 minutes for your presentation.
2. Begin by introducing yourself and pointing out your country of origin on a map or globe.
3. Briefly recount the story of how you and/or your parents came to America and how it felt to be an immigrant or the child of immigrants.
4. If you wish, bring photos or special possessions to show children.
5. After your initial presentation the children will have many questions for you.

Thank you for your participation!

NOTE: Please keep in mind that the children are young and some are easily upset. Stories that are very sad or horrible may not be appropriate.
