

## Hey, Good Lookin' By Hank Williams

Hey, good lookin'  
What you got cookin'  
How's about cooking something up for me

Well I'm free and ready  
So please go steady  
How's about keepin' a steady company

I got a hot rod Ford and a two dollar bill  
And I know a spot, right over the hill  
'Cause there's soda pop and a dancing spree  
You want to have fun, come along with me

Hey, good lookin'  
What you got cookin'  
How's about cookin' something for me

(instrumental)

I'm gonna throw my date book over the fence  
And then find me one for five or ten cents  
I keep it 'til it's covered with age  
'Cause I'm writing your name down on every page

Hey, good lookin'  
What you got cookin'  
How's about cookin' something up for me

(instrumental)

I got a hot rod Ford and a two-dollar bill  
And I know a spot, right over the hill  
'Cause there's soda pop and a dancing spree  
You want to have fun, come along with me

Hey, good lookin'  
What you got cookin'  
How's about cookin' something up for me  
How's about cookin' something up for me

How's about cookin' something up with

I said, good looking  
Well how's about cookin' something up with me.
