Alexander Hamilton v. Thomas Jefferson

The **Democratic Republicans** (led by Thomas Jefferson) see a limited government, with individual opportunity whose power is land based.

The **Federalists** (led by Alexander Hamilton) see a powerful national state. Freedom for this group means national greatness and economic development and financial power modeled after that of the British government.

Place an **X** next to the type of government you hope to see emerge and tell our pollsters why.

Federalist

Democratic Republican

I chose the _____ vision of a new government because:
