

# Handout #1

## Introductory Activity

Name: \_\_\_\_\_

Date: \_\_\_\_\_

1. Describe any items picked up on your sock.

---

---

2. Did you pick up any seeds? How do you know they are seeds?

---

---

3. What is a vector?

---

---

4. Name some types of vectors in a woody environment.

---

---

5. Seed Prediction Chart

Seed Types (name the type of seed if you can)	Small or Large?	Color of Seed	Will the seed grow? How do you know?	Is anything stopping the seed from growing?
