

Handout #4

Creating a Plant Arrangement

Name: _____

Date: _____

Directions: Each team of four will create a plant arrangement based on a theme. Your job is to decide on the theme of the arrangement. Use the Web sites listed below for a variety of seed colors, plant colors, seed shapes, and other bits of information.

Once your team has created their idea, have it approved by the teacher.

Write the ideas and seed types needed for your creation on the next page.

Possible theme ideas:

1. Colored flowers
2. Vegetables containing seeds
3. Vegetables lacking seeds
4. Seeds grouped by size
5. Seeds grouped by shape
