

Atlas Exploration

1. Open the Atlas to the years 72-732 CE. Click on the raised area to zoom in on Europe and North Africa. Read the summary. Flip between the modern and historical view, and explore the changes that occurred in earlier periods by clicking and dragging the timeline bar to the left of the map. Notice the changes in empires, trade routes, and borders.
2. Next, zoom in on the Iberian Peninsula and read the summary.
3. Zoom out, and move on to the next time period (732-1492). Read the summary, flip between the modern and historical view, and click and drag the timeline bar to explore the changes that occurred during this time period.
4. Zoom in on the Iberian Peninsula once again, and read the summary for this time period.

Write down five questions and answers based on the information you encountered in Atlas.
