Arab Age

Please respond to the following questions:

1) How do these texts jibe with the views expressed in the video section?

2) What do these texts convey about the treatment of the "People of the Book"?

3) Do you sense any conflicting positions on the part of Muhammad/Islam relative to the "People of the Book"?

4) What was the purpose of the different types of stipulations in these documents?

5) Does the legal formulation of the "The Pact of 'Umar" correspond in any ways to the views expressed in the Quranic verses?
